

A white golf ball sits on a vibrant green golf course. In the background, a golfer is captured in mid-swing, silhouetted against a bright, hazy sky. The scene is set on a grassy slope with trees in the distance.

WHY CHOOSE US

At Lost Key Golf Club, we have everything you need to host a memorable golf outing. Whether you're interested in a lavish corporate affair, a sponsored fundraiser for a worthy cause or simply a friendly social gathering among friends, our flexible and accommodating professional staff will go above and beyond to create a custom-tailored event that will thoroughly satisfy the entertainment needs of your golf enthusiasts.

Framed by the natural beauty of Perdido Key, Lost Key is ideally located between historic downtown Pensacola and the pristine sugar sand beaches of Orange Beach and Gulf Shores.

Redesigned by the Arnold Palmer Design Group in 2006, the par 71 signature designed championship course features Sea Dwarf Paspalum grass from the tee through the green for the optimum in quality playing surfaces and green speeds. Each golf hole includes five sets of tees and offers players of all skill levels a unique visual and strategic playing experience. Because of our course's superior drainage, "cart paths only" is the exception—not the rule—so carts are almost always welcome on the fairways.

Lost Key was the first golf course in the State of Florida to be certified as an Audubon International Silver Signature Sanctuary. The project continues to protect the natural resources of the area while providing outstanding golf experience.

OUTING FORMATS

SCRAMBLE

Each player hits a tee shot. The team then picks the best tee shot of the group, picking up their balls and moving it to the best tee shot. Each player then hits a shot from that spot to the green.

Once again, the team picks the best shot and moves their ball to there and hits the next shot. This continues until the ball is in the hole. There is only one score per hole for the group.

This is the preferred format for outings, as it optimizes pace of play.

SHAMBLE

Each player hits a tee shot. Then the team picks the best tee shot of the group and continues to play their own ball from there until each player finishes the hole. Each player must mark their own score per hole.

BEST BALL

Each player plays their own ball and the group marks down the lowest score per hole.

PLAY YOUR OWN BALL

Each player of the group plays their own, and each player must mark their own score for each hole. If any group falls behind the established pace-of-play schedule, they may be required to skip a hole to regain proper pace.

OUTING CONTEST

CLOSEST TO THE PIN

Each player hits their shot on a selected Par 3. If your shot is closest to the pin, use the sign provide and move it to the position of your ball on the green.

LONGEST DRIVE

Each player hits their shot on the selected hole. If your drive is past the existing long drive, record your name on the sign provided and move it to where your ball is positioned.
